INTRODUCTION

IN submitting the sixty-third annual edition of "Willing's Press Guide," the publishers believe this new volume will worthily uphold the standard of excellence set up by its predecessors. No effort has been spared in the task of collating details of new publications and checking existing data ; all information has been arranged in the form most convenient for purposes of reference. The experience gained over such a long period encourages a continuation of the policy adopted in the past.

The reputation of "Willing's Press Guide" for accuracy and completeness has for many years obtained for it the position of best-seller among newspaper directories ; it has, indeed, ensured for it a sale double that of any similar publication. The demand for copies of the 1935 Edition exceeded all anticipation, and numerous orders were received after supplies had been exhausted. The publishers express their regrets to all intending purchasers who were disappointed.

The print order for the present issue has been considerably increased, and a new record sale is confidently expected.

Since our last issue there have been many new ventures in the publishing world. Outstanding has been the appearance of two new daily evening newspapers, both with headquarters within an hour's journey of London—the "Evening Gazette" at Reading and the "Beds and Herts Evening Telegraph" at Luton. Growing interest in public and international events has prompted the publication of two periodicals of a type new to this country, the "News Review" and "Cavalcade." The continued and increasing popularity of cycling has inspired the establishment of the "Cyclist" and the "Bicycle." Other publications appearing for the first time include "Action," "British Steelmaker," "British Wholesaler & Warehouseman," "Cambridge Town & County Standard," "Children's Outfitter," "Club Sportsman," "Comment," "Corsetry & Underwear Journal," "Dog Illustrated Weekly," "Electrical Engineer," "Family," "Geographical Magazine," "Girl's Crystal Weekly," "Haslemere & District Times," "Haulage & Transport," "Humanity," "Janus," "Leisure," "Men Only," "Mickey Mouse Weekly," "Milk Producer Retailer," "Mine," "Paint Technology," "Prediction," "Sherborne Post," "Stag, Hare & Fox-Hunting Illustrated," "Stockbroker," "Tin," "Trend in design of Everyday Things," "Trends," "Welshwoman" and "Wood," etc., etc., and various others too numerous to mention in this Introduction.

Although it occurs somewhat towards the back of the volume, there are probably few sections in the " Press Guide " more valued than that devoted to Recent Titular Changes. Time spent in study of this section will be adequately repaid. There have been in the past year, as heretofore, many important amalgamations and changes of title. Among alterations recorded will be found " Mab's Home Weekly " which is now " Home Weekly," " Review of Reviews " and " World " now joined forces as "World Review of Reviews," " Professional Golfer " now " British Golfer," " Modern Scot " and " Scottish Standard " incorporated with " Outlook " a new journal, " Amateur Sport and Athletics " with " Health and Strength," " Cinema Quarterly " with " World Film News and Cinema Quarterly," " Film Fashionland " with " Weldon's Good Taste " ; " Hull and Lincolnshire Times " is now " Lincolnshire Times," " Guide for Competitors " and " Ideas " have been merged, " Illuminating Engineer " is now " Light and Lighting," " London Forum " reverts to its former title " Occult Review," " Tamworth News " is incorporated with " Tamworth Herald," and " Westerham Herald " with " Sevenoaks Chronicle."

Although we are sure that our subscribers will agree that our lists are the most complete obtainable, we have not extended them unduly by the inclusion of parish magazines, house-organs of a purely domestic nature, or football club programmes, of which there are many hundreds issued throughout the country. Neither do we include particulars of those journals depending mainly for revenue on charges made for blocks.

It would not be possible to compile such an accurate guide to the Press if it were not for the whole-hearted co-operation of publishers, to whom we tender our acknowledgments. In the very few instances where our enquiries failed to draw a response the entries in the alphabetical list have been preceded by an asterisk (*).

Publishers or promoters of new journals are invited in the general interest to file particulars with the Editor as soon as information is available.

We do not believe it necessary to add more to this Introduction. If the present issue has as warm a reception as has been granted to its predecessors, we shall know that our efforts have not lacked appreciation.

THE EDITOR.

The DIGNITY *of a great newspaper*

UNCHANGING in a world restless with change, The Yorkshire Post yet remains one of the country's great newspapers.

The dignity of tradition prevails in its columns—a dignity which the masses may find irksome, but a quality accepted by a loyal body of readers as they accept the finer things of life to which they are accustomed. Because it reflects a discerning outlook, they read The Yorkshire Post as their fathers did before them.

They may be fortunately placed in life, with the means to indulge their tastes, and this should encourage an advertiser of products or services of distinction to advertise to the people who read such a newspaper.

Not *how much* but *how little*

Many of the leading clients of Willing Service have the largest turnovers in their particular fields, yet in few cases can they be designated "largest advertisers" by reason of expenditure.

Not how much but how small an expenditure will achieve a desired sales quota is our first thought.

The Clients of Willing Service include—BOOTH'S DRY GIN, DUBILIER Condensers, EKCO Radio, EUTHYMOL Tooth Paste, INTERNATIONAL CORRESPONDENCE SCHOOLS Ltd., LLOYDS Bank Ltd. (Part), LONGINES Watches, MACKINLAY'S Whisky, MERIDIAN Underwear, etc., NATIONAL Cash Registers, PARKE-DAVIS Shaving Cream, ROBERTSON'S Golden Shred Marmalade, ROTHMILL Papers, STEWART & ARDERN Ltd. TEXTILES

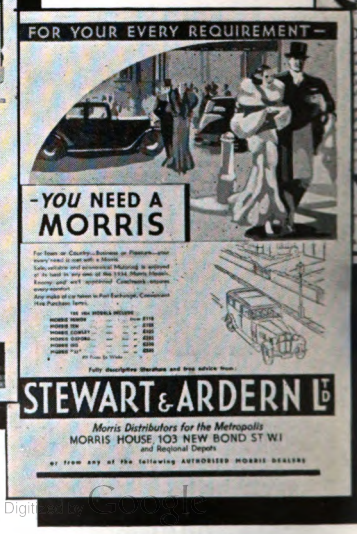
Intimate knowledge of Drapery Trade problems has enabled Willing Service to do valuable work for Messrs. J. B. Lewis & Sons, Ltd. Ever increasing sales of Women's Underwear, Slumberwear and Swimwear have been achieved over a number of years without extravagant expenditure. Textile manufacturers should find such familiarity with their markets extremely useful.



PAINTS

In advertising paints for Messrs. Thos. Parsons & Sons, Ltd., Willing Service has gained valuable insight into the appropriate markets. This experience should be particularly useful to non-competitive firms who specialize in products which sell to builders and decora-

GIN

Willing Service has practical experience of the Hotel, Wine and Spirit and Restaurant trades and markets. It has helped Messrs. Booth's Distilleries, Ltd., to increase the sales of Gin over a period of years. It could be doing the same for Beer.

RADIO

Willing Service has studied the tastes of the listening public and the many details of the Radio Trade. This has given great help to Messrs. E. K. Cole, Ltd., whose increased sales have testified to the efficacy of the advertising. Willing Service could do equally satisfactory work for other products distributed through the same channels.

MEN'S WEAR

For some years Willing Service has undertaken the advertising for Van Heusen Collars. This work has increased their already extensive knowledge of the Men's Wear market. Manufacturing tailors, makers of hats and ties and others who distribute through Men's Outfitters will find this specialised knowledge of their market invaluable.

MOTOR CARS

Advertising Cars and Car Service for Messrs. Stewart & Ardern, Ltd., keeps Willing Service in touch with the Motoring Trade. This market contact could be turned to good account on behalf of Tyre or Accessory Manufacturers whose publicity is not bringing the results it should.

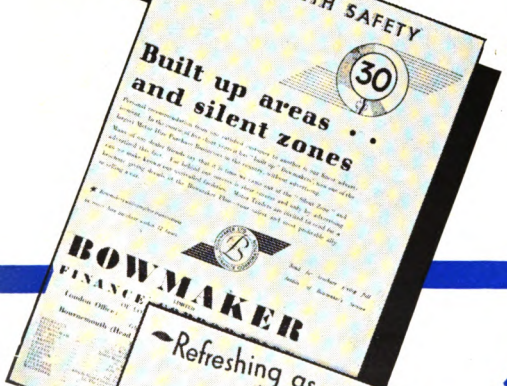
PRESERVES

In the overcrowded market for foodstuffs even the best of products requires skilful advertising. Willing Service has assisted the manufacturers of 'Golden Shred' to maintain increased sales. Some other manufacturer who distributes through grocers would find Willings prepared to do sound work for him.



FINANCE

Willing Service has entered yet another field through the advertising of Bowmaker Finance Corporation. The specialized knowledge which has helped to increase business for these clients would be particularly useful to any existing or prospective advertiser who wishes his message to reach property-purchasers and investors.

TOOTH PASTE

The marketing of products distributed through Chemists and Druggists is another aspect of publicity on which Willing Service is able to advise potential clients. They have assisted the makers of Euthymol Tooth Paste to multiply their sales without heavy publicity expenditure. Manufacturers of cosmetics should be interested in applying this knowledge to their own advertising problems.

COVERING THE PROSPEROUS

SOUTH COAST

Sussex Express

Hastings Observer

Folkestone Herald

Bexhill Observer

The area covered by the **Sussex Express** Group is one of the most valuable markets in the country. Prosperity is continuously increasing; unemployment has reached a very low figure. The papers of the **Sussex Express** Group give you access to this market as no other papers can. The **Sussex Express**, the oldest County weekly in Sussex, is *the* influential paper over a wide area with Lewes as its centre. The other three papers each has its own geographical district; each a loyal following exclusive to itself. Although, for your convenience, one advertisement rate covers the whole group, each of the papers is editorially separate. Thus, when you use the **Sussex Express** Group, you reach a large area in an intensive manner and without overlapping. Remember, too, that the **Sussex Express** Group is the only group of newspapers in the district that gives you a guaranteed audited nett sale figure.

CARRIES MORE AUCTIONEERS ANNOUNCEMENTS THAN ANY OTHER PAPER THROUGHOUT EAST SUSSEX

★

No auctioneer's announcement can reach the most profitable and prosperous area of East Sussex unless it appears in the columns of the **Sussex Express**, leading paper in this area, and oldest established County Weekly in Sussex. The **Sussex Express** is, and has been for 98 years, the most successful medium for announcing sales of property. That is why it carries more of this type of advertisement than any other paper in the district. When you must cover East Sussex, you must use the **Sussex Express**.

NOTES TO REFERENCES.

(1) Copies are in the British Museum.

(2) 1690 is the date often given. The first volume is in the British Museum, Nos. 1 to 3 being too much mutilated for the date to be correctly ascertained, but the fourth number is for Friday, March 10, to Monday, March 13, 1699 (N.S. 1700).

(3) The date commonly given is 1711, but as many copies of an earlier date are in the British Museum, it is assumed from No. 339, for July, 1708, that publication commenced in 1705.

(4) Green's History of Worcester (1796) states that it is *conjectured* a public paper was established in Worcester about 1690.

(5) For the first eighteen years the numbers were divided into half-yearly volumes. Perhaps the earliest copy in existence is for Jan. 6, 1715-6, vol. vii. One for Nov. 7, 1717, vol. x., was exhibited at the Caxton Celebration, and the earliest copy in the British Museum is vol. xi., No. 21, for Thurs., May 22, 1718—twelve quarto pages, 8½ inches by 6. A number for 1719, vol. xiv., is said to be in the Museum of the Philosophical Society of Leicester; one is spoken of for 1723, vol. xxi.; and the British Museum contains vols. xxxi. and xxxii., for 1728, now an octavo of eight pages, 9 inches by 5½. The date of establishment of the present paper is probably 1731, as a copy of the *Lincoln, Rutland, and Stamford Mercury*, for Jan. 9, 1789, says "This paper for upwards of *Fifty-seven* years has been and continues to be circulated every Friday morning," &c., proving that the *Stamford Mercury* was not looked upon as the original of the present paper.

(6) The date is assumed from an obituary notice of Mr. Wm. Chase in the paper for June 2, 1744, wherein he is said to have "printed the *Norwich Mercury* for *about* 30 years." The proprietors on Jan. 26, 1884, issued a facsimile of the paper of Jan 21-8, 1727, and they have in their possession "an odd copy or two for 1721."

(7) No. 530 is dated March 22, 1722 (published wice a week), and No. 1 of the *Kentish Gazette* is dated April 30 to May 4, 1768. On the following 23rd of July the *Kentish Post* was incorporated, and the paper appeared as the *Kentish Gazette and Canterbury Chronicle*, beginning again as No. 1.

(8) Vol. ii., 1719-20, was in the Caxton Exhibition. The paper was discontinued from 1755 to 1757, a new numbering then being adopted.

(9) The first number was published on May 2, 1720. A copy of the first volume is in the Northampton Free Reference Library.

(10) 1720 has been given. No. 255 is dated Feb. 21, 1727.

(11) A copy of the first number, for July 8, 1723, is in the Bodleian Library, and of this a facsimile was issued as a supplement to the paper on July 8, 1882.

(12) The *York Courant* was incorporated with the *York Herald*, which started on Jan. 2, 1790.

(13) 1720 is frequently given. A copy for July 10, 1739, is No. 76, vol. ii.; and one for March 12, 1744, is No. 372, vol. ix. A copy of the *Salisbury and Winchester Journal* for Sept. 7, 1829, is 5639, following which the number is 56310, and so onwards.

(14) 1719 and 1721 are also given. A copy for 1772 is No. 1858.

(15) The Derby Mercury was incorporated with the *Derbyshire Advertiser* in 1929, re-commenced separate publication in 1932 but was again incorporated with the *Derbyshire Advertiser* in 1933.

(16) 1736 is commonly given. The proprietor (1884) said 1737.

(17) 1748 is also given. A copy for Dec. 8, 1884, is No. 2198; pointing to a still later date.

(18) 1745 and 1746 have been given.

(19) A copy of the *Leeds Intelligencer* for Jan. 3, 1883, says 1751, but in 1866 the date claimed was 1754.

(20) A copy of the *Bath Advertiser* for March 8, 1760, is No. 230, and one of the *Bath Chronicle* for May 7, 1761, is No. 30.

(21) The date commonly given is 1759. No. 1, in the British Museum, is dated Jan. 12, 1760.

(22) This had only reached No. 1319, vol. xxvi., on May 23, 1795.

(23) An earlier date, under a different name, is sometimes given to this paper, but with this title a copy of No. 17, for April 18-21, 1761, is in the British Museum.

(24) 1730 is frequently given.

(25) A copy for Nov. 23, 1775, is No. 761, vol. viii., and the title is preceded by "John Ferrar."

(26) This is said to be an error, being the date of the amalgamation of the *Kentish Post* and *Kentish Gazette* (see note 7). However, a copy of the *Kentish Chronicle* for April 28, 1795, is No. 1592.

(27) 1782 and 1789 have been given. The paper was not numbered till June 21st, 1792, when it was begun with No. 1024.

(28) A volume for 1772 was in the Caxton Exhibition.

(29) A copy for April 13, 1774, is No. 2 (*i.e.*, for that year). The numbers were reissued as a pocket volume at the end of each year as *Weatherby's Racing Book*.

(30) 1773 is sometimes given. No. 1 is in the British Museum, and dated May 2, 1775.

(31) 1778 is also given.

(32) 1777 and 1779 have been given.

(33) The first number, in the British Museum, speaks of itself as the *Universal Register*, while its heading is "*The Daily Universal Register*, Printed Logographically. By His Majesty's Patent. Numb. 1, Saturday, January 1, 1785. Price Two-pence Halfpenny." The printer is James Fleming. The first number of *The Times* is now exhibited in the British Museum.

(34) This had only reached No. 996, vol. xx., on Jan. 6, 1830.

(35) 1788 is also given.

(36) No. 6 of *The Observer*, for Jan. 8, 1792, is in the British Museum.

(37) In 1862 this paper was incorporated with the *Bath Express*, afterwards the *Bath Herald*.

(38) No. 2 of the *Morning Advertiser*, dated Feb. 10, 1794, is in the British Museum; also *facsimile* of No. 1.

RECENT TITULAR CHANGES AND AMALGAMATIONS

The following list deals only with publications which have changed their titles or have been amalgamated with other publications during the past ten years. The date of issue or of change, where ascertained, follows the title; a second title printed in italic indicates that the list must be again entered with that title until the new-found one is printed in Roman character, when, if further information is required, reference should be made to the publication in the Alphabetical List, page 1. When a publication has received a new title, the contraction bec. signifies "became"; and when a title has been incorporated, the contraction inc. stands for "incorporated with," "amalgamated with" or "merged into."

For Results——

You advertise, naturally, in a paper that appeals to people having money to spend.

For 142 years the "Morning Advertiser" has enjoyed an unbroken daily circulation among people who can and DO spend money. It is their own daily journal—one which they support, and, more important still, one by which they are influenced.

Brewers, Distillers, Hoteliers, Restaurateurs and Licensed Victuallers (the last three being caterers), together with their staffs and clients, derive benefit from reading it. It is the organ of the Incorporated Society of Licensed Victuallers.

You will find it an excellent medium. Why not use it?

JUBILEE YEAR
FOR THE LAUNDRY INDUSTRY

DURING 1936 the industry is celebrating the 50th year of Trade Association. Both of the two official publications described below will therefore be of more than usual value as a means of approach to laundry executives

1. The British Launderers' Year Book

The only publication of its kind in the laundry industry. It is a handsome volume 10¾″ × 8¼″ (printing surface 9″ deep × 7″ wide), consisting of about 250 pages bound in cloth boards. First class art paper is used throughout. It contains a mass of information invaluable to laundry owners and managers and a full list of the names, addresses and telephone numbers of the members of the Federation.
All advertisements are facing reading matter.
It is published at the beginning of September each year.

2. The Federation Journal

Is published monthly and is the official means of communication between the Federation and its members.
It is 9¾″ × 6″ and the printing surface is 8″ deep × 4¼″ wide. The average number of reading matter pages per month is 50.
It contains exclusive information and numerous technical articles of interest and value to Launderers.

BOTH the British Launderers' Year Book and the Federation Journal are edited and published by the National Federation of Launderers Ltd., which is recognised as one of the most efficiently organised and powerful Employers' Organisations in the country. It covers the whole of England, Scotland, Wales and the North of Ireland, and its members employ about 85% of the commercial laundry workers in the country.
